ECM Air Cored Spring Coils

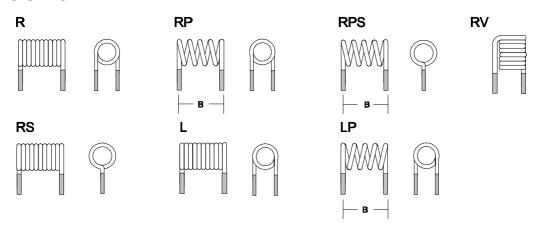

SC Series

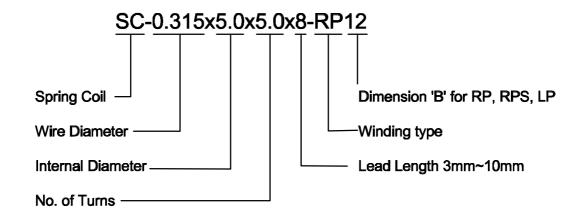

The SC range of spring coils offers design engineers high 'Q' over a uniquely wide frequency range. The custom design capability and low cost means that they can often be found in various radio applications and UHF tuners, as well as many other projects where high 'Q' and high self resonant frequency are crytical.

HOW TO SPECIFY:

ECM part No.

ECM Electronics Limited, Penmaen House, Ashington, West Sussex, RH20 3JR, UK Tel: +44(0)1903 892810: Fax: +44(0)1903 892738. Email: ecm@ecmelectronics.co.uk
